

Parents/Carers Newsletter - April 2021

A big welcome back to all who have been able to stay at home and to all who have been with us throughout. We hope you've all had a lovely Easter and now look forward to warmer weather coming our way.

We would like to say a huge 'Thank you' for acknowledging the one way system implemented by the school during busy times, for adhering to social distancing put in place to ensure everyone's safety and for using our hand gels frequently, you're all amazing.

With the warmer season almost upon us can we please request your child brings with them a named factor 50 sun cream and a hat plus closed shoes to avoid little accidents to toes. Also a change of clothes for water play would be beneficial. Thank you.

Could we ask that when dropping off and picking up the correct bell for either preschool or nursery is pressed as with staff being in separate bubbles they don't always recognise the face at the intercom camera. Thank you.

Morrison's at Pool, Redruth have very kindly donated food to us on a couple of occasions now due to us being a charity and having been nominated by a parent.

MORRISONS

We will be preparing some basic food parcels for those that could benefit so please feel free to message us and we can send a bag of food discreetly home with your child on collection. You will also see that Morrison's have supplied a chocolate egg for all our children so we will be sending them home over the coming weeks.

On a few occasions children have come into the setting having been given paracetamol based medication before attending their session, usually due to a cold. We cannot allow a child to join the bubbles if this has happened due to the meds lowering a possible temperature. We will however happily administer this ourselves if you bring it along after we check there is no symptoms of Covid 19 present.

We have been donated a large number of tyres to use outside, which we plan to make full use of.

We have also been donated some lovely toys over the past few weeks. Thank you for always thinking of us.

TEMPEST
PHOTOGRAPHY

Group, Mini Graduation Photos and
Individual Photos.

They will be back again in September

These will be completed outside - weather dependant this year and children will only be taken to have their photos taken within their Room 'Bubble'
